HIS HONOUR the Lieutenant-Governor directs the publication of the following Circular, issued by the Commander-in-Chief, and desires to express the hope, for reasons that will appeal to every reader, that the request for the restoration to the Boers of prized family Bibles lost by them during the late war will meet with a generous response.

Any such Bibles may be sent to the Provincial Secretary's Office, and they will be forwarded to the Secretary of State of Canada for transmission to London.

Provincial Secretary's Office,
18th August, 1903.

WAR OFFICE,

London, S. W., June, 1903.

SIR,—I am directed by the Commander-in-Chief to inform you that it has been brought to his notice that, on the conclusion of the recent War in South Africa, a large number of Boer families found, on returning to their farms, that their family Bibles had disappeared.

It appears that the Boer inhabitants of the South African Colonies set great store by their family Bibles, which often contain family records of some antiquity and even in some cases are the only repository of such records in consequence of the unavoidable destruction of church registers.

Lord Roberts feels sure that if any persons have in their possession any of these Bibles they will willingly return them when they learn how they are valued by their former possessors and he thinks it unnecessary to emphasise how much such a kindly act would be appreciated by our new fellow subjects.

He therefore wishes it to be known as widely as possible among all officers and soldiers who are now serving or have been retired, discharged or relegated to the Reserve, whether they belong or belonged to the Regular Army, Auxiliary or Colonial Corps and also among any of their friends, to whom they may

have given them as relics, that Mr. W. H. Alexander, of 12, Bishopsgate Street Without, London, E. C., has kindly consented to receive and dispatch to their owners any such Bibles which may have been taken from Boer farms.

He feels sure that the above facts and the knowledge that it is his wish that all such relics should find their way back to their former owners will be sufficient to ensure that their present owners, however much they value them, will readily part with them for this purpose.

I am, etc.

A. WYNNE,

D. A. G.

The General Officer Commanding.
